

Name: **ROMEO**

Pride Group: **MARSH**

Conservancy: **MASAI MARA**

Unusual Features: **CUT TAIL TUFT**

Description: Romeo is one of the Marsh Pride males. He has a large mane, a small tail tuft, and a rather large, mottled nose. He also has a small scar on his right upper lip. His mane is slightly smaller than Clawed's, and it does not fully cover his ears. He is also known as 'Jonah'.

Gender: **MALE**

Age: **ADULT**

Birth Year: **2003**
