

Name: **KIONI**

Pride Group: **MARLEY'S PRIDE**

Conservancy: **MARA NORTH**

Unusual Features: **BROKEN TOOTH**

Description: Kioni is a mature lioness. Kioni means 'she who sees'. She has four sub-adult offspring. She is seen often with Marley, and sometimes Caesar. She can be identified by the distinctive tear in her right ear, her broken canine and her spotted nose. Her whisker spots are difficult to see.

Gender: **FEMALE**

Age: **ADULT**
